

PEEBLES ELEMENTARY CONTINUOUS IMPROVEMENT PLAN

2007-2008

Action Plan for Implementing Parent Involvement Program

Need: Parent Involvement is measured by the number of volunteers in the building, the number attending parent/teacher conferences, and the number attending parent meetings. The focus of Parent involvement needs to include activities that guide parents in helping their children succeed academically and behaviorally.

Goal #3: To increase and improve interactions parents have with their child regarding school instruction, specifically in reading and math.

Strategy #1: To provide parents with guidance in how to interact with their child in such a way that improves test scores in reading, math.
